

Friends, with the Maryland General Assembly now back in session, one of my most important jobs as a state senator is to keep you informed about what is going on in Annapolis. As in years past, I will once again be sending out weekly updates about legislation that is important to us on the Eastern Shore.

If there is particular legislation that interests you, I encourage to visit the [Maryland General Assembly website](#) where you can see the status of that legislation. The General Assembly website allows you to search for legislation by criteria like bill number, sponsor, topic, or the committee to which that the legislation is assigned.

From the Maryland General Assembly website, you can also:

- Listen to live and archived proceedings from the floor of the [House of Delegates](#) and the [State Senate](#).
- Listen to committee hearings [in the Senate](#)
- View video of committee hearings [in the House](#)

As always, please reach out to me with any comments, concerns, or ideas you have. I can be reached one of the following ways:
